Social Psychology

R. F. Baumeister | B. J. Bushman

April 2018 | ISBN 9781473751415

Offering the best of classic and current research in its field, this text gives essential insight to the power of situations, while also emphasising the role of human nature. Its strong visual appeal with local examples means South African students will easily identify. It has an engaging and accessible writing style for second- and third-language speakers and feature boxes that offer fascinating insights into related topics.
Abnormal Psychology:
An Integrative Approach

D. H. Barlow | V. M. Durand | L. M. du Plessis | C. Visser

April 2017 | ISBN 9781473734432

This first South African edition offers students a local version of this well-known text by David Barlow and V. Mark Durand. Balancing biological, psychological, social and cultural approaches, the ground-breaking integrative approach followed is the most modern, scientifically valid method for studying abnormal psychology. Going beyond simply describing different schools of thought on psychological disorders, the authors explore the interactions of the various forces, both global ones and those unique to South Africa and Africa, that contribute to psychopathology.
