Management: International Edition
1st Edition
Daft & Benson
© 2016 | 9781408063859
This EMEA edition of Richard L. Daft's market-leading text Management includes all of the hallmark features that make the text popular with students but they have been fully updated for European, Middle Eastern and African students. Alan Benson (University of Exeter, UK) brings a new perspective on the ever-changing world of Management to provide a complete introduction to the key theories and industry issues.

Management: International Edition
12th Edition
Griffin
© 2017 | 9781305501294
This edition takes a functional, skills-based approach to the process of management with a focus on active planning, leading, organizing and controlling. Griffin carefully examines today's emerging management topics, including the impact of technology, importance of a green business environment, ethical challenges, and the need to adapt in changing times.

Management: An Integrated Approach
2nd Edition
Gulati/Mayo/Nohria
© 2017 | 9781305502086
Today's constantly changing business environment presents challenges and opportunities that are more dynamic and complex than ever before, requiring a clear understanding of the interactive nature of strategy, organizational design, and leadership. Management: An Integrated Approach, written by prominent Harvard management educators Ranjay Gulati, Anthony Mayo, and Nitin Nohria, is the only introductory management text on the market to address this challenge by taking an integrated and holistic approach to management, as opposed to a functional approach, making it more relevant to how today's organizations run.

Corporate Governance
Corporate Governance: A Global Perspective
1st Cengage Edition
Goergen
© 2018 | 9781473759176
This newly acquired title has been thoroughly updated by Cengage to provide a comprehensive introduction to the theory and practice of Corporate Governance. It enables students to explore current issues relating to the design of capitalist systems, such as the impact of immigration and rising inequality. This text references the latest regulation and codes of best practice to ensure that students are up to date with the latest developments in the field. Covering topics such as ownership and control, boards of directors and emerging markets, this text highlights the multidisciplinary nature of Corporate Governance.

Business Ethics
Business Ethics: Ethical Decision Making & Cases
12th Edition
Ferrell/Fraedrich/Ferrell
© 2019 | 9781337614436
Packed with cases, exercises, simulations and practice tests, this text thoroughly covers the complex environment in which managers confront ethical decision-making. Using a proven managerial framework, the authors address concepts, processes and best practices within successful business ethics programs. Students learn how to integrate ethics into key strategic business decisions. Revisions highlight new legislation affecting business ethics, the most up-to-date examples, best practices of high-profile organizations, and 20 new or updated original cases.

Business Ethics: Case Studies and Selected Readings
9th Edition
Jennings
© 2018 | 9781305972544
This text carefully reviews the decision-making process of business leaders today to illustrate why good leaders often make questionable decisions. This fascinating collection exposes common themes in less-than-ethical decision making and shows why leaders make ethical compromises in business that they would not make in personal lives. Short and long cases, readings, hypothetical situations, and current ethical dilemmas provide a basis for evaluating business ethics, while encouraging stronger values in future business leaders.

Organizational Behaviour and Management
5th Edition
Martin & Fellenz
© 2017 | 9781473728936
This cutting-edge introduction for all modern courses in Organizational Behaviour and Management has been thoroughly updated. New material has been added, including a new chapter on complexity, change and development and increased material on learning and human resource management. Informed by the latest research, Martin & Fellenz walk carefully through the fundamental topics with a focus on key issues – globalization and culture, ethics and corporate social responsibility, competitive pressures and organizational change – to leave students with a practical and open-minded grasp of organizational behaviour.

Introducing Organizational Behaviour and Management
3rd Edition
Knights & Willmott
© 2017 | 9781473726642
Introducing Organizational Behaviour and Management is written by specialists for students who want to think differently about their understanding of organizational behaviour. This textbook contrasts perspectives on organizational behaviour, discussing the alternative critical or controversial thinking and debate. Key concepts that underpin this diverse subject are identified and explored in a range of international and everyday examples.

Organization Theory and Design: An International Perspective
3rd Edition
Daft/Murphy/Willmott
© 2017 | 9781473726383
The third edition of Organization Theory and Design addresses overarching questions such as, how is globalization impacting organizations? Exploring contemporary issues in organization design, examples are drawn from global sources which reflect the different issues and best practices faced by managers. Developed for students in the UK, Europe, the Middle East and Africa, renowned academics Jonathon Murphy and Hugh Willmott continue to add an up-to-date international perspective to Richard L. Daft's landmark textbook. Together they provide an original, comprehensive approach to the study of organization theory and design.

Organizational Behavior: Managing People and Organizations
12th Edition
Griffin/Phillips/Gully
© 2017 | 9781305501393
This title combines Griffin's market leading, content-driven text with Phillips/Gully's outstanding pedagogical approach based on student assessment, engagement, and digital elements. The applied approach of Organizational Behavior: Managing People and Organizations balances classic management ideas with the most recent OB developments and contemporary trends. New cases, end-of-chapter exercises, in-chapter assessments, end-of-chapter video cases, activities, and optional cases and exercises help you equip your students with the assets, tools, and resources to compete effectively amid a world of change and learn how to think and act like managers.

MindTap for Organization Development and Change
11th Edition
Cummings & Worley
© 2019 | 9781337618755
Market-leading Organization Development and Change blends rigor and relevance in a comprehensive and clear presentation. The authors work from a strong theoretical foundation to describe, in practical terms, how behavioral science knowledge can be used to develop organizational strategies, structures, and processes. The MindTap for Organization Development and Change is a digital learning solution including assessment questions covering key concepts and applications features for each chapter, and additional questions on selected cases from each part.

Strategic Management: Awareness and Change
8th Edition
Thompson/Scott/Martin
© 2017 | 9781473726338
Strategic Management: Awareness and Change provides a comprehensive introduction to modern strategy and is essential reading for those who will become future managers as well as managers in practice. Following the ‘analysis, choice, implementation’ model the book moves from examining the strategy process as a whole, through the three approaches to strategy, strategy formulation and growth and retrenchment issues, finally concluding with an exploration of strategy implementation.

Strategic Management: Theory & Cases: An Integrated Approach
12th Edition
Hill/Schilling/Jones
© 2017 | 9781305502277
This comprehensive and engaging text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Hill, Schilling, and Jones integrate cutting-edge research on topics including competitive advantage, corporate governance, diversification, strategic leadership, technology and innovation, and corporate social responsibility through both theory and case studies. Based on real-world practices and current thinking in the field, the 12th edition features an increased emphasis on the changing global economy and its role in strategic management.

Strategic Management: Concepts and Cases: Competitiveness and Globalization
12th Edition
Hitt/Ireland/Hoskisson
© 2017 | 9781305502208
Written by respected scholars who have taught strategic management at all educational levels, Hitt, Ireland, and Hoskisson’s latest edition provides an intellectually rich, yet practical, analysis of strategic management. The classic industrial organization model is combined with a resource-based view of the firm to provide students with a complete understanding of how today’s businesses establish competitive advantages and create value for stakeholders. Cutting-edge research is presented with a strong global focus, featuring more than 500 emerging and established companies.

Strategy: An International Perspective
6th Edition
de Wit
© 2017 | 9781473725157
Strategy takes a truly global perspective. Contrasting viewpoint readings encourage discussion and debate, and illustrative cases help to acknowledge the importance of strategy in the world of business. Unlike most other books on the subject, the philosophy at the heart of this text is that an understanding of the topic of strategy can only be gained by grappling with a wider diversity of insights from many prominent thinkers, and the clear recognition that there is no simple answer to the question of what strategy is.

Strategy Synthesis: For Leaders
5th Edition
de Wit
© 2017 | 9781473725188
Strategy Synthesis: For Leaders presents the same contrasting viewpoints and discussions found in Strategy: An International Perspective, providing insights from many influential strategy thinkers. Excluding the long cases, this concise text may be more appropriate for your Executive or Leadership level courses.

The Leadership Experience
7th Edition
Daft
© 2018 | 97813173102278
Give students the critical leadership skills and solid understanding of today’s theory needed to become effective leaders in today’s turbulent times. Acclaimed author Richard Daft helps students explore the latest thinking in leadership theory as well as contemporary practices at work within organizations throughout the world. This text is packed with memorable examples and unique insights into actual leadership decisions.

Leadership: Research Findings, Practice, and Skills
8th Edition
DuBrin
© 2016 | 9781285866369
This edition provides an ideal balance of essential theory and real-world applications. Andrew DuBrin, a highly respected author and consultant, incorporates the latest research on leadership and current business practices from academic journals and popular periodicals. The text provides students with a strong practical foundation by introducing leaders they can relate to and reinforcing their knowledge with frequent skill-building activities. Key updates include new opening vignettes and end-of-chapter cases, numerous additional skill-building exercises, and a role-playing or other experiential activity linked to all end-of-chapter cases.

Leadership: Theory, Application, & Skill Development
6th Edition
Lussier & Achua
© 2016 | 9781285866352
The most practical leadership textbook on the market, Leadership, 6e uses a unique three-pronged approach to teach leadership concepts and theory. The authors combine traditional theory with cutting-edge leadership topics in a concise presentation packed with real-world examples. The text puts students in the leadership role, engaging them in applying the concepts and providing step-by-step behavior models for effectively handling leadership functions.

New Edition

Practical Management Science
6th Edition
Winston & Albright
© 2019 | 9781337406659
Help students take full advantage of the power of spreadsheet modeling with the book geared entirely to Excel 2016. This title integrates modeling into all functional areas of business: finance, marketing, operations management, using real examples and real data. Theory blends with applied, relevant learning for a solid foundation, followed by practical, hands-on exercises that emphasize the methodologies. The focus is on modeling rather than algebraic formulations and memorization of particular models. New and updated cases help to highlight the latest changes in the accompanying @RISK and PrecisionTree add-ins. Optimization chapters incorporates “BigPicture” diagrams of spreadsheet models, while a new chapter emphasizes data mining. In addition, almost 30 updated tutorial videos clarify concepts and work through examples.
