INSPIRE YOUR STUDENTS WITH NEW RESOURCES FOR SOCIAL WORK COURSES

NEW EDITION!

Management and Supervision of Social Workers
2nd Edition
Lambert K. Engelbrecht
2019 | 9781473751378

This exciting new edition delivers the comprehensive, detailed and sound conceptual framework that is essential in the management and supervision of social work. Drawing on South African and African practice examples, it offers a critical analysis of the contemporary debates related to the issues and challenges specific to social work management and the supervision of social workers. The content can be applied to a range of social service courses.

SECOND EDITION!

Theory and Practice of Counselling & Psychotherapy
2nd Edition
Gerald Corey, Lionel J Nicholas, Umesh Bawa
2017 | 9781473751255

Intended for counselling courses for undergraduate and graduate students in psychology, counsellor education, human services, and the mental health professions – this book surveys the major concepts and practices of the contemporary therapeutic systems and addresses some ethical and professional issues in counselling practice.
The Skilled Helper
Egan
2nd Edition | 9781473751088

This adaption for Africa teaches students a proven step-by-step counselling process to enable them to become confident and competent helpers. Internationally recognised for its emphasis on the collaborative nature of the therapist-client relationship and the vital importance of a client-centred approach, the text offers a practical three-stage model which encourages a problem-managing and opportunity-developing approach to helping clients.

Disability in Context: A Socio-educational perspective in South Africa
Maguvhe/Magano
1st edition, 2015 | 9781473719071

This landmark book addresses disability in the context of gender, race, politics and society. Authored by leading researchers across South Africa, Disability in Context encourages you to critically examine the dominant narratives surrounding disabled people, and consider how international conventions, primary research and academic theory can be combined to improve the conditions of people living with disabilities.
